Dr. Ken Krimpelbein D.C. Is a leader in MLS Laser Therapy. We are the Exclusive National Trainers of MLS Laser Therapy in North America, having trained hundreds of offices including: Orthopedic Surgeons, MD's, Radiologists, Podiatrists, Chiropractors and other specialties.

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.
