Crime 101 Set against the sun-bleached grit of Los Angeles, Crime 101 weaves the tale of an elusive jewel thief (Chris Hemsworth) whose heists have mystified police. When he eyes the score of a lifetime, his path crosses that of a disillusioned insurance broker (Halle Berry) who is facing her own crossroads. Convinced he has found a pattern, a relentless detective (Mark Ruffalo) is closing in, raising the stakes even higher. As the heist approaches, the line between hunter and hunted begins to blur, and all three are faced with life-defining choices—and the realization that there can be no turning back. MGM / Amazon

Scream 7 Sidney Prescott after years of escaping Ghostface, Sidney Prescott lives a seemingly quiet life in Pine Grove, Indiana. She is married to police chief Mark Evans, runs a local coffee shop, and is raising three children. However, history violently repeats itself when a new set of killers begins a spree of murders. The primary target of this new Ghostface is Sidney's eldest daughter, Tatum named after Sidney's late best friend. Paramount

The Bride is a genre-bending horror and dark romantic comedy set in 1930s Chicago. It follows Frankenstein's monster ("Frank"), who enlists a scientist to resurrect a murdered woman as a companion. When the resurrected Bride asserts her independence, the two embark on a violent, Bonnie and Clyde-style crime spree. Warner

Protector stars Milla Jovovich as Nikki, a former U.S. Army war hero who left the military to raise her daughter, Chloe. Her peaceful life shatters when Chloe is abducted by a ruthless human trafficking syndicate. Faced with a strict 72-hour window to rescue her daughter, Nikki draws on her lethal special forces training to tear through the criminal underworld, putting herself on both the police and military's most wanted lists. Magenta Light Studios

The Mastermind Set in 1970, the story follows an unemployed, aimless amateur thief who orchestrates a daylight robbery of four Arthur Dove paintings from a small Massachusetts art museum, only to unravel in the chaotic aftermath of his poor planning. Mubi

Eraser 4K U.S. Marshal John "Eraser" Kruger fakes the deaths of high-profile witnesses. When he protects a defense contractor whistleblowing on black-market high-tech railguns, he uncovers a massive conspiracy. Kruger is forced to fight rogue colleagues and his own mentor to stop the weapons from reaching terrorists. Warner

The Christophers The children of a once famous artist hire a forger to complete some unfinished, long ago abandoned canvases so they'll have an inheritance when he dies. Decal - Neon

NCIS: Tony & Ziva Season One follows Anthony DiNozzo and Ziva David as they are forced to go on the run across Europe after Tony's cybersecurity company is targeted. Framed for a global cyberattack, the couple must work to clear their names while protecting their daughter, Tali, and learning to trust each other again Paramount

Deep Water The film follows an eclectic group of passengers flying from Los Angeles to Shanghai who are forced to make an emergency crash-landing in the Pacific Ocean. The stranded survivors must put aside their differences and work together to escape their sinking plane while fighting off a feeding frenzy of sharks drawn to the wreckage. Magenta Light Studios

Strange Journey The Story of Rocky Horror is a 2025 documentary film that explores the origins, making, and cultural impact of the 1975 cult classic The Rocky Horror Picture Show. It was directed by Linus O'Brien, the son of the original show's creator, Richard O'Brien. MGM / Amazon

They Will Kill You Horror Comedy Asia Reaves (Zazie Beetz), an ex-convict who infiltrates "The Virgil"—a mysterious New York City high-rise—posing as a maid to find her estranged sister, Maria (Myha'la). She soon discovers the building's wealthy elite residents are Satanists who achieve immortality by regularly offering human sacrifices. Warner

The Drama Instead of a traditional romance, the film is a dark, provocative comedy that explores themes of trust, radical acceptance, and the lengths to which people will go to overlook the unthinkable for the person they love. It is known for its highly uncomfortable, polarizing viewing experience and diabolical humor A21

Is God Is Twin sisters Racine and Anaia discover that their estranged mother—whom they affectionately call "God" for creating them—is still alive and dying. On her deathbed, she gives them a final, violent command: track down and kill their abusive father, who set their family on fire when they were children. The sisters embark on a bloody, cross-country quest that blends Southern Gothic elements with spaghetti western grit. MGM

Destination Moon tells the tale of when Doctor Charles Cargraves and retired General Thayer approach Jim Barnes, the head of his own aviation construction firms to help build a rocket that will take them to the moon. Driven by Cold War fears of other nations claiming the Moon, the crew battles government resistance and mid-flight crises to pull off the ultimate space mission. Film Masters

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.
