**Roofman** is a crime dramedy based on the true story of Jeffrey Manchester, a struggling Army veteran who becomes the infamous "Roofman" by robbing McDonald's by cutting through their roofs, then escapes prison, hides inside a Toys "R" Us for months, and falls for an employee, all while a cat-and-mouse game with his past unfolds. The film, directed by Derek Cianfrance and starring Channing Tatum and Kirsten Dunst, blends crime, comedy, and unexpected heart as Jeffrey navigates his double life. Paramount

**Hazbin Hotel Season One** Hazbin Hotel Season 1 follows Charlie Morningstar, Hell's princess, as she opens the Hazbin Hotel to redeem sinners and prevent Heaven's annual angelic exterminations, a plan opposed by Heaven's leader, Adam, who moves the purge forward. Charlie, with her girlfriend Vaggie and reluctant help from radio demon Alastor, takes in misfits like Angel Dust to prove rehabilitation is possible, facing challenges from Hell's overlords (like the Veeps) and Heaven, culminating in a massive battle where they defeat Adam, but leave redemption uncertain and Lilith's role revealed. Bento Box Entertainment/A24

**Fackman Hall** is a comedy spoof film that parodies British period dramas like Downton Abbey and Gosford Park, heavily blending them with the slapstick style of Airplane! and Monty Python. The Davenport family, led by Lord and Lady Davenport (Damian Lewis and Katherine Waterston), are in crisis after all four of their sons die, leaving them without a male heir to their estate, Fackham Hall. They plan to marry their daughter to her cousin to save the estate, a situation filled with inbreeding jokes and rigid, outdated traditions. Eric Noone (Ben Radcliffe), a charming pickpocket and war orphan, arrives at the manor and is mistakenly hired as a hall boy (servant). He quickly rises through the ranks and sparks a forbidden romance with Rose Davenport (Thomasin McKenzie), the youngest daughter. As the family prepares for a chaotic wedding, a murder occurs, and Eric is framed for the crime. The plot becomes a whodunit with an incompetent investigation led by Inspector Watt. Decal Bleeker

**One Battle After Another** Bob is a washed-up revolutionary who lives in a state of stoned paranoia, surviving off-grid with his spirited and self-reliant daughter, Willa. When his evil nemesis resurfaces and Willa goes missing, the former radical scrambles to find her as both father and daughter battle the consequences of their pasts. Warner / Discovery

**Shelby Oaks** follows Mia's decade-long search for her missing sister, Riley, a paranormal YouTuber, blurring found-footage horror with a traditional thriller as Mia investigates Riley's disappearance and the sinister occult mystery surrounding the ghost town of {Shelby Oaks}, uncovering that childhood fears of "The Shadow Men" and a demonic entity might have been real, leading to a dark, tragic ritualistic ending. Decal Neon

**Icelfall** is an action-thriller about a young Indigenous game warden, Ani, who arrests Harlan, a notorious poacher, only to discover he knows the location of a plane crash containing millions in stolen cash in a frozen lake, forcing them into an uneasy alliance to escape criminals hunting the money, all while battling the harsh wilderness and melting ice. Their survival depends on trusting each other as they navigate dangerous pursuers and the perilous, shifting ice. Decal Partners

**Keeper** Liz (Tatiana Maslany), a free-spirited artist, and her boyfriend Malcolm (Rossif Sutherland) as they travel to a secluded woodland cabin to celebrate their one-year anniversary. The getaway quickly turns unsettling as Liz begins experiencing terrifying visions of screaming women from different time periods and feels a sinister presence watching her. Decal Neon

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.
