We specialize in custom garages that are built to your needs. Our garage building crew has many years of experience with both one- and two-story garages that are either attached or detached. We will work with you to design the garage package that is right for you, as well as safe and aesthetically pleasing.

As a separate division from our garage building, our concrete crew focuses solely on providing quality concrete flatwork. Whether you need a new patio, sidewalk slabs, driveway, pathways, or garage floor, you can trust the concrete contractors of R.E.P. General Contracting to deliver a finished product that will last for years.

With a full fleet of trucks, skid steers, and loaders, R.E.P. General Contracting provides the best commercial snow service in the area. Available 24/7 for parking lot plowing, salting, snow removal and sidewalk shoveling. R.E.P. is licensed and insured and fully capable of handling all your snow and ice removal needs.
