Here are what our customers are saying....

The whole team at Garrett was professional, friendly and very hard -working. The job was done in a timely fashion and the crew was meticulous about construction and cleaning up. We were very pleased with the new drive and retaining wall and the nice people who built it.

Ann O

Garrett did our concrete drive and front entry. I wasn't sure how i wanted the front to look. Todd had great ideas and it looks great! We get compliments all the time! We are having them back to do the concrete patio this year.

Brenda S

The crew was very friendly. We absolutely love our new driveway and find ourselves just staring at it often. We have received so many compliments already from family friends to even strangers passing down the street! Thank you!
