Yellowstone Complete Series Yellowstone is a drama series centered on the Dutton family, who control the largest contiguous ranch in the United States. The family patriarch, John Dutton, must protect his land from various threats, including land developers, a Native American reservation, and a national park. The series follows the family's conflicts over land, power, and tradition, filled with intense family dynamics, political maneuvering, and a high level of violence. Land conflict: The core conflict of the series is the constant struggle to protect the Yellowstone Dutton Ranch from being encroached upon by outsiders, such as land developers and the Broken Rock Indian Reservation. Family drama: The show heavily features the complicated relationships within the Dutton family, including patriarch John Dutton, his daughter Beth, his son Kayce, and his son Jamie, as they navigate the pressures of the ranch and their individual lives. Power and corruption: The series explores themes of power struggles, political corruption, and the clash between tradition and modernity, as the Duttons use any means necessary to maintain their control. Violence and lawlessness: The show is known for its high level of violence, which stems from the high stakes of the land disputes and the brutal world the Duttons inhabit. Key characters and their roles John Dutton: The patriarch of the family and owner of the ranch, who is determined to protect his land at all costs. Beth Dutton: John's daughter, who is a ruthless and fiercely loyal force within the family's business affairs. Kayce Dutton: John's youngest son, who is caught between his family and his life on the reservation with his wife and son. Jamie Dutton: John's son, a lawyer who seeks to follow a political career, which often puts him at odds with his father and sister. Rip Wheeler: The foreman of the ranch who is fiercely loyal to John and the Yellowstone, often acting as the family's enforcer. Season One John Dutton, patriarch of the largest ranch in the United States, battles threats to his land from land developers, the neighboring Native American reservation, and the National Park. The season focuses on family drama and the constant conflict surrounding the Yellowstone Dutton Ranch, particularly the strained relationship between John and his estranged son Kayce, which intensifies after Kayce kills Monica's brother in a violent incident, forcing John to conceal the murder to protect him. Meanwhile, the family grapples with internal conflicts, as the other children, Jamie and Beth, pursue their own political and corporate careers respectively. Season 2 the Duttons face the powerful Beck brothers, who are a new, ruthless threat to the ranch, leading to violent conflict and assassination attempts. Meanwhile, Jamie Dutton navigates political ambitions and a strained relationship with Beth, and Kayce returns to the ranch, though his relationship with Monica is difficult. The season also sees the Duttons forge an unlikely alliance with Thomas Rainwater and Dan Jenkins to confront the Becks. Season 3 the Duttons face a new threat from the powerful Market Equities corporation, which seeks to buy the ranch for a new airport. The family navigates internal conflicts, including John stepping down as Livestock Commissioner, Kayce taking the role, and Jamie struggling with his identity and his toxic relationship with Beth, which is revealed to be rooted in his handling of her teenage abortion. The season ends with a cliffhanger as Market Equities strikes at John, Kayce, and Beth. Season 4 The Duttons survive a coordinated assassination attempt, leading John to task Kayce with investigating Jamie's connection to the hitman. Meanwhile, Beth blackmails Jamie into killing their biological father, Garrett, to protect the family from further fallout. The season also concludes Jimmy's storyline as he leaves the ranch to marry Emily and pursue a rodeo career, and it ends with Beth accepting a position at Market Equities to work against them from the inside. Season 5 Final Season John Dutton becomes Governor of Montana, vowing to use his power to protect the ranch, leading to immediate conflict with developers and his own son, Jamie. The season also includes major drama between Beth and Jamie, a premature baby death for Monica and Kayce, and political fallout for John's new administration. The season concludes with Kayce, as the new owner, selling the ranch to Thomas Rainwater for \$1.1 million, returning it to the Native American people. Paramount

Roofman (Digital) After escaping from prison, former soldier and professional thief Jeffrey Manchester finds a hideout inside a Toys "R" Us, surviving undetected for months while planning his next move. The Conjuring 4 Last Rites The Conjuring: Last Rites is about paranormal investigators Ed and Lorraine Warren's final case, which is loosely based on the real-life Smurl family haunting in 1980s Pennsylvania. The film focuses on the couple as they help the Smurl family deal with a series of paranormal events tied to a cursed mirror from the Warrens' collection. The storyline also incorporates their daughter, Judy, and shows the couple taking on this case despite Ed's heart condition. Warner

The Morning Show Seasons 1 & 2. Season One begins with the sudden firing of co-host Mitch Kessler after sexual misconduct allegations go public, throwing the network's popular morning show into chaos. His longtime partner, Alex Levy, is forced to deal with the fallout, including a #MeToo scandal investigation and her own precarious position at the network. The station brings in a new co-host, progressive and hotheaded field reporter Bradley Jackson, which creates friction with Alex but also opens up possibilities for dramatic change and a power struggle with network executive Cory Ellison. The season explores the culture of silence within the network and the personal and professional repercussions for those involved. Season Two picks up on New Year's Eve 2019, with the UBA network reeling from the previous season's events. Alex Levy is living in seclusion, writing a book, while Bradley Jackson is adjusting to her role as the new co-anchor alongside Eric Nomani, with a newly appointed CEO, Cory Ellison, at the helm. The season explores the aftermath of the #MeToo scandal, with new accusations arising, while the team grapples with the looming threat of the COVID-19 pandemic and the fallout from Mitch Kessler's death, which is documented by a filmmaker he is stranded with in Italy. Apple TV

Together is about a couple, Tim and Millie (Dave Franco and Alison Brie), who move to the countryside to work through their relationship issues, only to discover a mysterious supernatural force that causes them to physically and bizarrely fuse together. Their initial physical coupling is a symptom of the unnatural force, leading to increasingly grotesque transformations as they try to understand the source of the horror. The plot involves a body-horror cult with a belief in becoming "whole" with one's "better half," which culminates in the couple fully fusing as a symbolic act of love and commitment, though the ending is ambiguous about the implications for Millie's arriving parents. Decal Neon Alliance Entertainment

Why Didn't They Ask Evans? is an Agatha Christie mystery about amateur sleuths Bobby Jones and Lady Frankie Derwent who try to solve the murder of a man who dies with the cryptic last words, "Why didn't they ask Evans?". After finding the dying man at the bottom of a cliff, they must unravel a tangled web of false identities and a conspiracy to uncover who "Evans" is and why he wasn't consulted. Alliance / Fifth Season

Castlevania Complete Series The Castlevania animated series synopsis revolves around the ongoing war between the vampire hunter Trevor Belmont, the sorceress Sypha Belnades, and Dracula's dhampir son, Alucard, as they unite to protect the 15th-century region of Wallachia from Dracula's demonic army. The story is a dark fantasy adaptation of the video games, kicking off after Dracula's human wife, Lisa, is executed by the church for witchcraft. Enraged, Dracula vows to destroy all of humanity and unleashes a demonic horde on the land, leading the unlikely trio to team up and fight back. Season One Trevor Belmont, embittered and excommunicated, finds himself drawn into a battle for the survival of Europe – a region that has brought doom upon itself by taking away the one thing its greatest monster loved. Season Two Trevor Belmont, last survivor of his house, is no longer alone, and he and his misfit comrades, Sypha Belnades and Alucard, race to find a way to save humanity from extinction at the hands of the grief-maddened Dracula and his sinister vampire war council. Season 3 Following Dracula's Death, Trevor and Sypha are travelling, Alucard remains at the castle in misery, and a vengeful Isaac returns to Europe. Carmilla reunites with her vampire sisters in Styria seeking to build a new future with Hector as her tool. Season 4 Wallachia collapses into chaos as factions clash: some attempting to take control, others attempting to bring Dracula back from the dead. Nobody is who they seem and nobody can be trusted. These are the end times. Viz

Racine Residents

A message about.....*Shoveling Sidewalks*

All property owners in the City of Racine are required by City Ordinance 82-109 to remove snow and ice from sidewalks abutting their property.

All snow and ice must be removed from the full width of the sidewalk within 24 hours after cessation of a snowfall.

Failure to remove or cause to be removed all snow and ice from the sidewalk in front, along the side of, or adjacent to your property **will result** in a violation notice being mailed accompanied by an inspection fee in the amount of \$50.00.

If upon reinspection a violation still exists, a reinspection fee for an additional \$50.00 will be charged along with the costs incurred by the Department of Public Works for snow and ice removal.
