Dr. Ken Krimpelbein D.C. Is a leader in MLS Laser Therapy. We are the Exclusive National Trainers of MLS Laser Therapy in North America, having trained hundreds of offices including: Orthopedic Surgeons, MD's, Radiologists, Podiatrists, Chiropractors and other specialties.

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.

The Conjuring 4 Last Rites The Conjuring: Last Rites is about paranormal investigators Ed and Lorraine Warren's final case, which is loosely based on the real-life Smurl family haunting in 1980s Pennsylvania. The film focuses on the couple as they help the Smurl family deal with a series of paranormal events tied to a cursed mirror from the Warrens' collection. The storyline also incorporates their daughter, Judy, and shows the couple taking on this case despite Ed's heart condition. Warner

The Morning Show Seasons 1 & 2. Season One begins with the sudden firing of co-host Mitch Kessler after sexual misconduct allegations go public, throwing the network's popular morning show into chaos. His longtime partner, Alex Levy, is forced to deal with the fallout, including a #MeToo scandal investigation and her own precarious position at the network. The station brings in a new co-host, progressive and hotheaded field reporter Bradley Jackson, which creates friction with Alex but also opens up possibilities for dramatic change and a power struggle with network executive Cory Ellison. The season explores the culture of silence within the network and the personal and professional repercussions for those involved. Season Two picks up on New Year's Eve 2019, with the UBA network reeling from the previous season's events. Alex Levy is living in seclusion, writing a book, while Bradley Jackson is adjusting to her role as the new co-anchor alongside Eric Nomani, with a newly appointed CEO, Cory Ellison, at the helm. The season explores the aftermath of the #MeToo scandal, with new accusations arising, while the team grapples with the looming threat of the COVID-19 pandemic and the fallout from Mitch Kessler's death, which is documented by a filmmaker he is stranded with in Italy. Together is about a couple, Tim and Millie (Dave Franco and Alison Brie), who move to the countryside to work through their relationship issues, only to discover a mysterious supernatural force that causes them to physically and bizarrely fuse together. Their initial physical coupling is a symptom of the unnatural force, leading to increasingly grotesque transformations as they try to understand the source of the horror. The plot involves a body-horror cult with a belief in becoming "whole" with one's "better half," which culminates in the couple fully fusing as a symbolic act of love and commitment, though the ending is ambiguous about the implications for Millie's arriving parents. Castlevania Complete Series The Castlevania animated series synopsis revolves around the ongoing war between the vampire hunter Trevor Belmont, the sorceress Sypha Belnades, and Dracula's dhampir son, Alucard, as they unite to protect the 15th-century region of Wallachia from Dracula's demonic army. The story is a dark fantasy adaptation of the video games, kicking off after Dracula's human wife, Lisa, is executed by the church for witchcraft. Enraged, Dracula vows to destroy all of humanity and unleashes a demonic horde on the land, leading the unlikely trio to team up and fight back. Season One Trevor Belmont, embittered and excommunicated, finds himself drawn into a battle for the survival of Europe – a region that has brought doom upon itself by taking away the one thing its greatest monster loved. Season Two Trevor Belmont, last survivor of his house, is no longer alone, and he and his misfit comrades, Sypha Belnades and Alucard, race to find a way to save humanity from extinction at the hands of the grief-maddened Dracula and his sinister vampire war council. Season 3 Following Dracula's Death, Trevor and Sypha are travelling, Alucard remains at the castle in misery, and a vengeful Isaac returns to Europe. Carmilla reunites with her vampire sisters in Styria seeking to build a new future with Hector as her tool. Season 4 Wallachia collapses into chaos as factions clash: some attempting to take control, others attempting to bring Dracula back from the dead. Nobody is who they seem and nobody can be trusted. These are the end times. Viz

RWBY Vol. 5 Ruby, Weiss, Blake, and Yang are each entangled in journeys of their own, but they all share one destination: Haven Academy. Whether it's the promise of ancient relics, mystical maidens, or simply more power, it's clear that the stage for the next great battle for Remnant has been chosen. The question is, with so many players in this game, who's going to come out on top? Viz
