Dr. Ken Krimpelbein D.C. Is a leader in MLS Laser Therapy. We are the Exclusive National Trainers of MLS Laser Therapy in North America, having trained hundreds of offices including: Orthopedic Surgeons, MD's, Radiologists, Podiatrists, Chiropractors and other specialties.

MLS Laser Therapy is an effective, painless treatment for all types of pain relief that has been cleared by the FDA and proven successful as evidenced by extensive and credible research studies conducted in our country's finest institutions, including Harvard Medical School.

Our laser is a dual-wave synchronized fully robotic MLS Laser. Our laser uses specific wavelengths of light that have a strong anti-inflammatory, anti-edema effect on tissues that are exposed to the laser. As a result of the MLS Laser, the cells of tendons, ligaments and muscles repair themselves faster. In simple terms, laser energy kick-starts the healing process, thereby speeding recovery. No matter if you have long standing pain from prior surgery, injury, arthritis, or you have a new injury MLS Laser Therapy has been proven to work.

***The Madison: Season One*** Manhattanite Stacy Clyburn (Michelle Pfeiffer) had never grasped the affinity that her entrepreneur husband Preston (Kurt Russell) felt for the small spread he'd maintained, and sojourned to often, in southwest Montana. Tragedy would drive her to uproot-with her nonplussed family-in the hopes that Big Sky country life could help her process grief. "Yellowstone"-universe spin-off series from Taylor Sheridan co-stars Beau Garrett, Patrick J. Adams, Elle Chapman, Amiah Miller, Alaina Pollack, Ben Schnetzer. Paramount

***Jackass: Best and Last*** Johnny Knoxville and the gang return for one final fling at the big screen. Featuring all-new stunts and stupidity along with the greatest hits and biggest laughs from the past, this is a joyously raucous celebration of all the mischievous camaraderie that you've come to love and expect from these idiots over the past 25 years. Paramount

***Hadestown The Musical*** Welcome to Hadestown, where a song can change your fate. This acclaimed new musical by celebrated singer-songwriter Anaïs Mitchell and innovative director Rachel Chavkin (Natasha, Pierre & The Great Comet of 1812) is a love story for today… and always. Hadestown intertwines two mythic tales—that of young dreamers Orpheus and Eurydice, and that of King Hades and his wife Persephone as it invites you on a hell-raising journey to the underworld and back. Mitchell's beguiling melodies and Chavkin's poetic imagination pit industry against nature, doubt against faith, and fear against love. Performed by a vibrant ensemble of actors, singers, dancers, and musicians, Hadestown is a haunting and hopeful theatrical experience that grabs you and never lets go. Bleecker Street

***Little Shop of Horrors*** Meek flower shop assistant Seymour (Rick Moranis) pines for co-worker Audrey (Ellen Greene). During a total eclipse, he discovers an unusual plant he names Audrey II, which feeds only on human flesh and blood. The growing plant attracts a great deal of business for the previously struggling store. After Seymour feeds Audrey's boyfriend, Orin (Steve Martin), to the plant after Orin's accidental death, he must come up with more bodies for the increasingly bloodthirsty plant. Warner

***Elijah Peel*** Inspired by a true story and from Executive Producers Willie and Korie Robertson (Duck Dynasty, The Blind), Elijah Peel follows a stadium-filling rock star whose life of fame and addiction comes to a sudden halt after a heart attack nearly costs him everything. During his recovery, Elijah encounters a remarkable young girl whose unwavering faith, radiant spirit, and wisdom beyond her years begin to break through the walls he has built around his heart. Through their unexpected bond, her extraordinary hope inspires Elijah to begin a powerful journey toward healing, reconciliation, and faith. Disciples Moonlight

***The Agency: Season One*** Covert CIA agent Martian is ordered to abandon his undercover life and return to London Station. When the love he left behind unexpectedly reappears, their romance reignites, pitting his career, his real identity and his mission against his heart while hurling them both into a deadly game of international intrigue and espionage. Paramount

***Brady Bunch: The Complete Series*** When widower Mike Brady (Robert Reed) marries a lovely lady named Carol Ann (Florence Henderson), their two families become one. The six children include Carol's Daughters: Marcia (Maureen McCormick), Jan (Eve Plumb) and Cindy (Susan Olsen), as well as Mike's sons: Greg (Barry Williams), Peter (Christopher Knight), and Bobby (Mike Lookinland). Together with their dog Tiger and quirky housekeeper Alice (Ann B. Davis), this wild clan became the Brady Bunch! From the debut episode with Mike and Carol tie the knot, to the heartwarming series finale, this series is filled with family fun, outrageous outfits, and loads of sibling rivalry. Experience all the chaos and laughter of The Brady Bunch with this 117-episode collection! Paramount

***Morning Show Season 3*** UBA as it faces a massive ransomware cyberattack, severe financial struggles, and a high-stakes takeover attempt by tech billionaire Paul Marks. A severe $50 million ransomware attack cripples the network and leaks confidential employee data and emails, exposing deep racial and cultural disparities within the company. CEO Cory Ellison (Billy Crudup) tries to save bankrupted UBA by orchestrating a sale to Paul Marks. Alex Levy (Jennifer Aniston) initially opposes the deal fearing it will destroy the news division—before entering a turbulent romantic relationship with Paul. Bradley Jackson (Reese Witherspoon), now an evening news anchor, hides the fact that she and her brother Hal participated in the January 6th Capitol insurrection and that she deleted incriminating footage to protect him. Paul discovers this secret and uses it as leverage. Paul is revealed to have orchestrated the cyberattack to cover up a failed rocket launch. Alex turns on Paul, blackmails him into dropping the acquisition, and instead proposes that UBA merge with Laura Peterson's network (NBN). Bradley resigns on air and turns herself and her brother in to the FBI to clear Cory's name. Apple TV

***Fireflies at El Mozote*** Set during the brutal civil war of 1980s El Salvador, a 10-year-old boy survives the massacre of his village and embarks on a harrowing quest for justice, determined to honor his dead family amid the deadliest civilian massacre in modern Latin American history. Magenta Light Studios

***A Bucket of Blood & Dementia 13*** From producer-director Roger Corman come two cult classics that explore the madness of ambition, popularity, and greed. In A Bucket of Blood, meek busboy Walter Paisley (Dick Miller) stumbles into fame after a grisly accident transforms him into the darling of the beatnik art scene, only to discover that true artistic inspiration demands ever-deadlier mediums. A young Francis Ford Coppola makes his directorial debut with Corman as his producer with Dementia 13, a gothic, bloody web of family secrets, psychological horror, and axe murders. Paired together these two cult classics make for a delightful midnight screening!

***Citizen Vigilante*** The story follows Sanders, a wealthy US military veteran and landlord living in a European city, who grows disillusioned with the legal system after witnessing institutional failures to protect citizens. He begins a violent extrajudicial campaign targeting unpunished criminals, rapists, and corrupt officials. His actions turn him into a social media sensation while drawing a high-stakes pursuit from Interpol chief Henry. Quiver Distribution
